OUR SECOND-HAND MACHINES

JOUANEL Industrie gives you the opportunity to purchase machines and equipment at rock-bottom prices!

These are second-hand machines taken back from our clients as they bought new JOUANEL equipment, or returning from trade shows and demonstration. They are completely mechanically overhauled, reconditioned up to the current standards, repainted for most of them and ready to operate for many years in your workshops.

You benefit from a 6-month guarantee for these machines.

You can consult our second-hand machines offers on our PDF file, which is regularly updated depending on the current availability...Time to take advantage of our good bargains!
